

Welcome to the Hofwirt

Welcome to our beautiful Styrian tavern! We are proud of a nearly 750-year-old history and that we were able to host the first guest more than 400 years ago. What we have taken from the past is the wonderful scenery of a baroque building, which is proud of its proximity to the Seckau Abbey, which honours with great care, tradition and history - with one goal: to attract you. With Styrian delicacies and products from regional producers.

After a good meal, we invite you on a short tour. The long, exciting history of our house has left impressive marks. The large wooden staircase leads you to the suites, which we have restored to new heights. Take your time to marvel at the stucco ceilings, as each one tells its own story...

Perhaps the exciting tour of our house will also give you the idea of staying longer and celebrating with your family and friends, also in our former farm shop, the charming building is now the perfect location for unforgettable, private celebrations and inspiring business events! Because life is a festivity...

Yours Hofwirt Team!

Without our regional partners, we would not be the Hofwirt...

That is why we like to introduce you to our producers, without whom our menu would not be as down to earth and typically Styrian as it is.

On the one hand, KULINARIUM [Culinary Style] STYRIA calls for regional identity through the stimulation and appreciation of local products as well as traditional recipes and on the other hand promotes qualitative partnerships between Styrian restaurateurs and their surrounding farmers and producers.

Fresh cider ...

...produced by the Kühbreinhof. The Kargl family relies on the organic cultivation of traditional apple varieties, which are cultivated and processed with the utmost care - CHEERS!

Our fish ...

... comes from the Ausseerland region from pure spring water. Because only if the fish have lived properly and in harmony with nature, they can taste as good!

Our game ...

... deer or chamois, come from our own Authal game preserve area, where it has spent its entire life between natural forests and meadows.

The “Schnaps”...

... is delivered by the monks of the nearby Seckau Abbey. They have been distilling spirits since 1994 and have already received several awards.

Happy chicken ...

... deliver organic eggs. Burgi and Herbert Herk, farmers by conviction, give their chicken a lot of space all year round and feed them with the finest grains.

Meat...

... we are very proud that we get our meat from the in-house agriculture & butchery St. Wolfgang. These are our own fields and farms where the Seetaler Weidelamm and our pigs are at home and enjoy the beautiful view to Mount Zirbitz.
